Hello Kathy –

We have not yet heard back from you on the letter we sent to you on Thursday, April 13 that we sent to you via email on the 13<sup>th</sup> and also sent via regular mail. You also have not responded to messages that I left on your office phone and cell phone and the email, below, that I sent to you on Friday, May 14. You have also not responded to the voicemail that our City Manager, Tom Bakaly, left for your yesterday on your cell phone.

Not receiving response is further delaying our Public Works Iron Horse Facility Project.

We would appreciate receiving both acknowledgement of our communication and a response.

Thank you.

Diane

Hey Kathy –

I just left you voicemail with this same message. I wanted to confirm that you received our letter via email yesterday.

Could you confirm that you received that?

Thank you.
